Beginning Stained Glass

Artist: Dianne Miller

This 15-hour course is for the beginning stained glass art student or for someone who wishes to refresh stained glass skills. You will learn to score, break, groze, grind, copper foil and solder your creation. You will take home a small, completed stained glass panel that you will be proud to display! An emphasis will be placed on glass considerations for different patterns, glass-cutting techniques and the steps to assemble a Tiffany-style glass panel.

In a fun and relaxed atmosphere for learning, there will be demos, handouts, skills practice and plenty of time for questions. No experience is necessary. All tools, glass, and supplies will be provided by the Gallery and instructor.

Protective eyewear is required. Regular eyeglasses are sufficient. Please do not wear open-toed shoes when working with glass! Class is limited to 4 participants.
