### Woodcarving Coffee & Tea Scoops (Part II)

## Dangle Earrings Workshop

Artist: Janet

Custom design and create your own pair of artistic dangle earrings with artist Janet Lewis. After walking you through the design process, she will show you how to use a jeweler's saw to cut metal or other materials into your desired shapes. Then you will learn how to drill through your shapes and to use various types of jeweler's pliers to assemble your earrings using "cold" connection methods. There is no example photo because your design will be as unique as you are!
