Pisces Season Personal Artwork

Artist: Neva Rowland

Pisces Season invites us into a softer, more intuitive space — a time for dreaming, healing, and reconnecting with the wisdom beneath the surface. If you're ready to slow down, listen inward, and create from the heart, this workshop is for you.

We'll explore how Pisces energy flows through your birth chart — highlighting where you're meant to release control, trust your intuition, and move with compassion and creativity. From there, you'll set a gentle, soul-led intention for Pisces Season to support emotional clarity, imagination, and inner peace.

Then you'll settle into creative flow. Using art supplies, you'll create an intuitive piece inspired by pale green — a color of renewal, softness, healing, and quiet growth. There's no pressure to "do it right"; this is about feeling, sensing, and allowing your intuition to guide your hands.

You don't need to be a Pisces — just come open, curious, and willing to drift into creativity. Let yourself rest, reflect, and make something meaningful in this dreamy seasonal workshop.
