Pieces of Your Heart!

Artist: Dianne Miller

This is a fused glass workshop that will cause your heart to smile! Bring your Valentine (spouse, child, parent, BFF, date, random stranger off the street—well, maybe not the last!)

In a fun and relaxed atmosphere, you will decorate a pre-cut clear glass heart suncatcher (approximately 6" wide at the fullest) with lots and lots of glass colors! Your heart (glass heart, that is!) will be fired in a glass kiln so that all pieces are fused beautifully together. Two holes will be drilled in the top so that you can hang it from a window to remind you of your love. No experience is necessary. All instruction, tools, glass, and supplies will be provided by the Gallery and/or instructor. (The heart pictured is part of a fused glass windchime. At time of this publication, I actually didn't have a finished mosaic fused heart to share! 😊)

Protective eyewear is required. Regular eyeglasses are sufficient. Please do not wear open-toed shoes when working with glass! Class is limited to 8 participants to allow for social distancing. Face masks are required in the Gallery.
