## Shibori Tea Towels

### A fundraising Bike MS happening at ArtForms

Experience Shibori, an ancient Japanese dyeing process that involves folding, bunching or twisting material, binding and dunking into a vat of indigo dye. No two pieces will ever be exactly the same! This process is lighthearted and the results are stunning!

Arashi, Kanoko, Itajime, and other techniques will be demonstrated. Each participant will create three tea towels in the Shibori techniques of your choice. Anyone wanting to wear their Shibori is welcome to bring a white t-shirt to dye as well.

**All proceeds from this workshop will be donated to Bike MS, seeking a cure for Multiple Sclerosis.**

Hosted by Nicole Meyer-Foresman, member of Research Rough Riders Team for Bike MS 2025

## Virgo Season Personal Artwork

Artist: Neva Rowland

It's time for the next chapter of the Zodiac Workshop Series: Virgo! This season invites us to bring order to chaos, tune into what's essential, and refine ourselves so we can be more effective and at peace.

There are two parts to this workshop.

First, Neva will help participants to look up their birth chart to see what other astrological luminaries are influencing the Virgo area of their chart.

Then, using that information, participants will write a personal affirmation or intention that they would like to embody during Virgo Season to intuitively guide the creation of their artwork.

Virgo is the practical and detail-oriented member of the zodiac and our artworks will feature the grounding color BROWN. You don't have to be a Virgo to enjoy and learn a lot in this workshop - all signs are welcome because we all have Virgo somewhere in our birth chart!

- Saturday, August 23 | 12:00 - 3:00 p.m.
- Fee: \$40, pay at time of registration to guarantee your seat
- Ages: 16 and older
- Class Size: 8
