Capricorn Season Personal Artwork

Artist: Neva Rowland

Capricorn Season is here - all about structure, ambition, and creating what endures. If you're ready to ground your dreams and turn vision into form, this workshop is for you.

We'll explore how Capricorn shows up in your birth chart - where you're called to build, commit, and take steady steps toward mastery.

Then you'll create an intuitive artwork inspired by Capricorn's signature color: dark grey, symbolizing growth, endurance, and quiet strength.

No need to be a Capricorn — just come ready to get focused, inspired, and hands-on with your creative process.
