Aquarius Season Personal Artwork

Artist: Neva Rowland

Aquarius Season is here — a burst of innovation, intuition, and bold self-expression. If you're ready to think differently, spark new ideas, and align with your most authentic future, this workshop is for you.

We'll take a look at how Aquarius energy shows up in your birth chart — the places where you're meant to break patterns, trust your inner genius, and follow the currents of inspiration. From there, you'll craft a personal intention for Aquarius Season to guide your creativity and growth.

Then the fun begins: you'll dive into the art supplies and create an intuitive artwork inspired by Aquarius blue — a color of clarity, imagination, and visionary flow. There's no right or wrong here; it's all about channeling energy, activating your intention, and letting your creativity surprise you.

You don't need to be an Aquarius — just come ready to experiment, expand, and make something magical. This is one workshop you won't want to miss.
