Taurus Season Personal Artwork

Artist: Neva Rowland

Taurus season is upon us and Neva is offering another astrological art workshop! Fresh off the heels of fiery Aries, Taurus brings a calm, grounding energy, and uncomplicated dedication to getting what we want. There are two parts to this workshop.

First, Neva will help participants to look up their birth chart to see what other astrological luminaries are influencing the Taurus area of their chart.

Then, using that information, participants will write a personal affirmation or intention that they would like to embody during Taurus Season to guide the creation of their artwork. As the sensible, grounding member of the zodiac, our Taurus artworks will feature lots of green! You don't have to be a Taurus to enjoy and learn a lot at this workshop!
